

# QUIRE

## WHO IS QUIRE?

We are recovering report writers. Like you, we experienced the pain points and tedium of using **Word** for our technical work.

So, we built a **better way**.

## WHAT IS QUIRE?

A cloud-based technical report writing platform created  
by report writers, for report writers.

**UPGRADE  
FROM **WORD**  
TODAY.**

- Intelligent Automation
- Total User Control
- Real-Time Collaboration
- Seamless, Immediate Report Generation

ENVIROSITE  
Corporation

## WHAT'S IN IT FOR YOU?

Quire is forward-thinking. We are helping to define the future of technical report writing, and when you choose to integrate Envirosite data, you too can be part of a simpler, better future.

### Integrated Ordering

Order your Envirosite Corporation data products directly from within your Quire Report with a Click of a button.

### Envirosite Regulatory Data Auto-Populates

No need to retype! Your data pushes directly from Envirosite Corporation into your Report sections.

### Auto-Upload PDF Appendices

Supporting documentation is inserted directly into the Report Appendices that you identify.
